RURAL ROADS BODY HERE SATURDAY

CHRISTMAS PARTY THURSDAY DECEMBER 2

RIGHT OF WAY JOB URGENT; COURT TO PUSH FOR DEEDS

TEXAS ASSOCIATION IS TO CONVENE IN CAMERON

Texas Rural Roads Association will hold a meeting in Cameron Saturday, November 20 it was announced early to-day by Judge Dan Tyson.

The Association, organized a year ago, came into being shortly after the Texas Highway Department had failed to appropriate what in the opinion of many officials over the state, sufficient money to guarantee an adequate rural road program.

As a result of the work of the Association attention has been fixed on the plight of rural areas in Texas and Governor Jester is to ask the coming legislature for $20,000,000 more for farm to market roads.

The Texas Good Roads Association is to convene this time in a county that set the pace for road building back in the days when bonds were popular at high rates. Now Milam County is regarded as one of the backward counties of the state both on rural farm to market roads as well as highways.

The meeting of the Association here Saturday is county wide in its score, said Judge Tyson. Every section of the county is urged to send representatives. The Association gives its full time to the promotion of rural roads, nothing else.

The theme of the meeting here Saturday will be to discuss legislation to be presented to the coming session asking adequate funds be appropriated for the construction and maintenance of rural roads throughout the state.

The Commissioners Court of Milam County, headed by Judge Dan Tyson, will be host to the Association meeting. Judge Fred Glass, County Judge of Falls County, is Treasurer of the Association and will be here Saturday. C. S. McLellan is Executive Secretary of the Association.

County Commissioners in Milam County are W. W. Markham, C. S. Raney, Byron Neal and T. F. Locklin.

The meeting will convene at 2:30 p. m. in the District Court room.

Business men in Cameron are urged to attend. The Texas Rural Roads Association is one of the most important organizations to occur in the recent history of the state.

CONDITION OF POLIO PATIENT VERY GRAVE

Gilbert Boehme, polio patient in the infantile paralysis hospital in Waco, is critically ill and his condition was described as very grave in a report by Dr. Herbert E. Riggs.

Polio cases are reported due to the connection with the Infantile Paralysis Foundation Fund and J. R. Hays, chairman here, received a report on the condition of Mr. Boehme as of November 12 which was last Friday.

At that time, said Dr. Riggs the patient was still in the iron lung and is badly paralyzed.

Mr. Boehme was taken to the hospital last week. He was employed at the Burkes-Howard Company in Cameron.

We Get .31 Inches Of Rain Here Sunday

Cameron has received more than three quarters of an inch of rain in the past few days.

The fall here Sunday night was .31 it was reported by L. W. Smith, government observer at the Community Public Service Company.

In comparison to actual needs this fall is very light but has resulted in some benefits to farmers and livestock men. Heavier rains fell in other sections of the county.

Man Gets $1900 For Car In Rockdale on A Fake Certificate

Sheriff Carl Black was on the trail of Louis J. Gunner who will be arrested for selling a new Chevrolet car to W. P. Hogan of Rockdale.

Sheriff Black said that Mr. Hogan purchased the car in Rockdale Saturday morning. A fake certificate of ownership was tendered and Mr. Hogan believed the purchase to be legal. It was subsequently found that this car was stolen from Burton Rollins at Irving, Texas. The car was parked near another residence and was being used by Rollins son Friday night, November 12.

The licence plate on the car had been changed, Sheriff Black said. Gunner left Rockdale shortly after the car had been sold to Mr. Hogan for $1900.00. The sheriff believes Gunner is connected with a car theft ring operating out of Dallas where from 20 to 30 cars have been reported stolen recently.

Anton Moraw Suffers Broken Neck in Crash Of His Truck Monday

Anton Moraw is in St. Edwards Hospital with a broken neck and other serious injuries as the result of an accident on Monday when his pick-up truck skidded from the highway and was overturned.

The accident occured on Highway 77 three miles north of Cameron. His truck plunged into a ditch after overturned from the wet pavement. Mr. Moraw was coming to Cameron around 7:30. He was rushed to the hospital and has been in a critical condition.

Dr. George Bowman Begins Practice Of Dentistry in Cameron

Dr. George Bowman is now associated with Dr. James Watson in dental practice here.

Dr. Bowman, as a young boy lived in Cameron, the son of Mr. and Mrs. J. M. Bowman and his return to Cameron to enter his profession is a source of gratification to a host of friends.

New offices were recently retained by Dr. Watson in the Sharp building. Dr. Bowman completed his academic courses at Baylor University and on September 27 graduated from the Baylor Dental School in Dallas. He is a world war 2 veteran and served in the United States Navy. He is a nephew of Mrs. James Watson, Miss Annie Bowman and Mrs. W. E. Gaither of Cameron.

Dr. and Mrs. Bowman arrived in Cameron on November 6 with their children, a daughter, Ann, 3 years old and their son, George, 18 months old.

They will soon move into the home being vacated by Dr. and Mrs. David Shapiro who are constructing a new home in the Country Club addition to the city.

Stadium Seats Will Be Re-Numbered For The Bi-District Game

Good news for fans who buy seats for the Bi-District football game here on November 26 between Cameron and San Saba comes with the announcement that seats will be renumbered.

In the game with Fredericksburg last year the seats were too crowded but this year more space will be allowed. All seats will be reserved in the two big stands. General admission tickets are to be sold. otherwise all other seats will be reserved.

The world's widest avenue is the Avenida Nueve de Julio in Buenos Aires.

CC GETS READY FOR SANTA CLAUS VISIT

It is that time again and the Chamber of Commerce has made plans for the Christmas Party to be held here on Thursday, December 2.

The program will follow pretty much the pattern of previous visits from Santa Claus with the city being host to hundreds of children and there will be free gifts for all. These gifts will be distributed from the court house lawn.

The big Christmas tree is due to be put up the coming week and will be lighted if the program is as it has been in the past.

These parties have been well attended. School children are invited from over the territory and they make the most of the opportunity to see old Santa Claus and receive gifts from him.

The time for Christmas shopping is at hand and Cameron merchants will be expected to put on their best show for the big Christmas party here on December 2. Already shops are taking on the sparkle of Christmas and gift goods are becoming available in increased volume.

MRS. J. A. CRYER WILL MANAGE POOR FARM

Mrs. J. A. Cryer has been named manager of the Milam County Poor farm located at Cameron.

Mrs. Cryer was appointed from a large number of applicants received by the Commissioners Court, in session here Friday for the regular term.

From the number of applications received the court rejected all save three and then made their decision from this number. The three considered were Mrs. Cryer, Raymond Dees and LeRoy Wheeler.

Mr. and Mrs. Homer Allen recently resigned from the management of the farm here because the Commissioners Court would not provide better living conditions for the inmates. They also claimed that the budget was not high enough to sustain the farm's aged people in proper care.

The Court made no improvements and will not do so. The Budget was fixed in August and no consideration can be given to a raise in the allowance out there until next year. The court named Mrs. Cryer as manager on the same budget and basis as has been in operation at the farm for a number of years.

CC WILL TAKE PART IN DAM PROGRAM

The Cameron Chamber of Commerce will take part in the ground breaking ceremonies on December 9 at Belton which will inaugurate work on the Miller Springs Dam.

Narvie Caperton and A. W. McCullin met with the steering committee of the Temple Chamber of Commerce Thursday with representatives from 5 central Texas communities.

The program for December 9 calls for a barbecue at the site of the dam and dedication program will follow.

A committee was named to represent each community and those named from Cameron are: A. W. McCullin, program, Narvie Caperton, arrangements, Attendance and Finance, L. Van Perkins, Publicity, Henry Siebman, Invitation, Oxsheer Smith, Transportation, E. A. Perrin.

SINGING CONVENTION

The Milam County singing convention wil lbe held November 21, 1948, at the Milano High School. A basket lunch will be served at noon.

BROILER PROGRAM IS EYED BY DIRECTORS

Business men here were pleased generally over the prospect that the Chamber of Commerce would stress an Agricultural Program with a very special emphasis on broilers.

Directors at their bi-monthly meeting Tuesday night voted to sponsor an exclusive effort at promoting farm prosperity here and over the county.

Built around this plan is the employment of a manager who would be an experienced poultry man as well as one who is fitted to a general farm program.

Wide interest here in a poultry program would indicate that the business men want broilers since that phase of the poultry business is most profitable and if engaged in on large commercial scale means millions.

The Chamber is having its financial troubles, as was inevitable, since it has had no program except the usual run of routine work. There are splendid indications that business men are willing to support a program that is fundamentally sound and prosperity getting in all its phases.

Poultry has changed the economic picture in every locality where it has been developed. Milam county has already made good progress on poultry and if expanded to large commercial proportions will revolutionize farm income.

SAN SABA AND CAMERON TO PLAY NOVEMBER 26

San Saba and Cameron will play for the Bi-District Title on Yoemen Field on Friday night, November 26.

Site of the Bi-District game was settled on the toss of a coin in Killeen Sunday when school officials from both cities met to determine where the game will be played.

San Saba has won the District 22-A title and Cameron for the third year has won the 21-A District title. The Yoemen became champions again Friday night when they defeated Rosebud 19 to 7 in Cameron.

A rumor that the game here Friday night with the Waco Kittens would be canceled is not true. The game will go on as scheduled and that will be the last game the YoOemen will play on their regular 1948 schedule.

Based on the comparative strength and schedule played by the teams it would appear that Cameron should have little trouble in disposing of the Armadillos. It is conceded that while District 21-A play this year has been below average the climax did bring two strong teams together Friday night when Rosebud and Cameron played for the title.

Hospital Must Now Turn Down Patients Suffering Polio

A situation of extreme emergency has arisen in Central Texas over lack of facilities to care for polio patients, it was disclosed here Wednesday morning by J. R. Hays, local chairman for the March of Dimes Campaign.

Mr. Hays said that after December 1 no more patients will be admitted to the Waco Childrens Hospital because facilities are inadequate to take care of them.

Polio cases have been so numerous that the hospital there finds it necessary to restrict the number as patiens cannot be aken where there are no facilities for treating them.

A posisible solution would be to set up such a treatment center in Cameron and no doubt medical leaders here have already considered this emergency.

Letters To Santa Claus

The Herald is very anxious to get letters to Santa Claus from the children and is appealing to the schools throughout this area to co-operate by permitting the children to write early.

These letters are each year published in the big Christmas edition. In order to print all of them an early start must be made. The publishers would like very much to have many of them within the next week.

TRUMAN REJECTS PLEA FOR TALK WITH STALIN

President Truman at his press conference Tuesday morning in Key West Florida, told newspaper correspondents that he would not meet Joseph Stalin in Moscow or anywhere else and talk about the Berlin blockade.

Mr. Truman added that if Stalin wants to come to Washington he will receive him but under no circumstances will the United States talk to Red Russia until the Berlin blockade is raised.

Mr. Truman went further to say that he will not send another envoy to Moscow.

This put an end to the projected plan that more talks be had by the big four powers. The President's stand would no doubt be applauded by the entire country and will be most acceptable to both Britain and France.

BODY OF WAR VETERAN DUE HERE THURSDAY

The body of Pfc. Wilburn Dennis McKay, world war 2 dead, will arrive in Cameron Thursday, November 18.

Funeral services will be held from the Chapel of the Green Funeral Home in Cameron on Friday, the hour to be announced. The body will remain at the funeral home until Friday.

Rev. Hall, minister at First Presbyterian church, will conduct the services and interment will be made in the Rice cemetery. A military ritual will be carried out in the burial arrangements.

Pfc. McKay is the son of Mrs. Minnie Baker in Cameron. He entered the service May 9, 1942 at the age of 24 and served with Company E, 175th Infantry Regiment and was killed in action in France on June 12, 1944.

In a letter from the War Department Mrs. Baker learned that her son was buried in the U. S. military cemetery at La Cambe, France, 17 miles north of St. Lo.

Surviving are his mother and two brothers, Lilburn McKay and Cecil Baker.

Two Pay Fines For Drunk Driving Here

Two cases were filed in county court here, both charges being drunk driving.

Edward Eugene McCormick entered a plea that he was guilty of driving a car while intoxicated. The court imposed the usual minimum fine of $50.00.

Ralph Hubert, when charged said he was guilty and after his plea the usual minimum fine of $50.00 was imposed by the court.

Mr. and Mrs. Adolph Winfield and sons visited in the homes of Mr. and Mrs. A. Hurst and Mr. and Mrs. S. Lynn in Waco Armistice day.

COURT HERE VOTES TO GET TITLE TO LANDS

Right of Way requirements on highway 77 in Milam county to connect with Falls county south of Rosebud are now urgent, and the Commissioners Court has voted to proceed with the matter of getting signatures to deeds to the lands.

Stanley Swift, chairman of the Highway and Roads Committee in the Chamber of Commerce, held a committee meeting last week and the committee met with the court to urge action on the matter, since several months have elapsed since the Highway Department conducted the survey and asked for right of way.

It was disclosed by County Auditor Conn R. Isaacs that about 25 acres of land will be necessary to complete the link in Milam county to connect with Falls county.

That section of Highway 77 to be improved calls for the construction of a concrete causeway over Elm Creek north of Cameron.

Rosebud has already voted $25,000 in bonds to build a right of way through the city.

Rightof way from the Milam county line to the city of Rosebud must also be obtained.

District Engineer Blair of Bryan has already tentatively approved plans for the causeway and construction contracts were expected to be let as soon as funds are available both for the improved highway and the bridge.

The court here may institute condemnation proceedings if land owners do not agree on the price submited. The price is fixed not to exceed $100 per acre.

STATE TAX MAY BE LEVIED FOR ROADS

Although this newspaper opposed the amendment and it was the only one to be defeated in the county, benefits are possible under the abolishment of the advalorem tax for state purposes.

This amendment provides that the tax of 30c may be levied in the county for farm to market roads and flood control. In Milam county the tax amounts to around $40,000 a year

The Commissioners Court may levy this tax for local roads if it so elects and that was one of the prime reasons for the amendment. There is some question whether this amendment may not have the effect of further isolating the counties from state revenues for road building.

Since the people of this county voted against nullifying the tax it would follow as reasonable to expect that the people would not object to paying it. Subject to interpretations it is possible such a source of income could be banked against bonds and over a 20 year period would amount to around a million dollars. Whether such a plan would be allowed remains to be determined.

If the funds are split up four ways and go to the Commissioner Precincts there is still a hope it can be impounded for permanent improvements against spending it as a current fund item. The Precincts need more money for running expenses but there is an opportunity to exploit this additional income for better advantages.

Under the terms of the amendment the Commissioners Court has the optional position of levying the tax for local purposes or refusing to levy it.

SEVEN DRUNKS

The drunk toll over the week end resulted in the arrest of 7 and charges have been filed in city and Justice courts. Included in the number arrested was one negro woman.

Noted Artist Is Available for Civic Music Programs

Some of the outstanding artists that are to appear in the Milam County Civic Music Association list were mentioned today in the Herald office by Mr. McDuff, Civic Representative who is working to organize in Cameron.

"It seems the best artists are well known," said Mr. McDuff. "Artist Bidu Sayao, Harry Cumbham, Marion Anderson, Eric Friedman, Robert Merrill and the Vienna Choir Boys are some of the outstanding artists that are available to any one of the organizations, or civic societies interested in the Civic Music Association," Mr. McDuff continued. "In the course of the year many of the major associations most of the artists that are appearing on their programs."

Mr. McDuff, the Houston representative, will answer letters or interviews in person in the second year of operation.

Artists selected by the local committee, composed of seven young men and two small children actively citizen who are among those on the magazine, have been most active in promoting the association. The selection is made before entertainment is the case of the men's college men in the last week and with actually week, the artists of national fame appear in Cameron.

Dinner To-Night Will Launch Civic Music Membership Drive

(From the Daily)

The evening will officially mark the first Milam County Civic Music Association membership drive.

An estimated working force between 7 and 10 will take part in the committee dinner that nationally present each of the Civic Music Concerts.

Mr. McDuff, Civic Representative, said reaction in Cameron to Civic Music for the idea of having a fine series of concerts for definitely appeared with enthusiasm and will express to him and support the co-operative, non-profit venture.

The Civic Representative went on to mention that he had two towns in mention that are now operating under the Civic Music Plan are Baltimore and San Diego. "The two port about the whole set-up is that the Cameron people, the Southside and the Commerce people, be some attention, hear a great number of the same artists, and generally are treated with the same amount of respect and consideration as the larger towns." Civic Music is spreading throughout the country at a rapid manner, and Mr. McDuff said it is a great deal of pleasure to include Milam County and Cameron in the list that now exceeds 200.

GILBERT BOEHME IS IN POLIO HOSPITAL

Gilbert Boehme, 26, was taken to the Polio hospital in Waco Thursday.

Dr. J. L. Walker, physician for the Boehme family, believes that the ailment indicates Polio and Mr. Boehme was rushed to Waco for treatment.

This is the second case of Polio to originate in the same section of the city within recent weeks.

Mr. Boehme resides on Highway 77 in the north portion of the city. He is employed at the Burkes-Howard Company, International Harvester farm implement dealers.

A new television development is expected to permit observers to see inside oil wells and steel furnaces.

YOEMEN WIN DISTRICT TITLE FRIDAY NIGHT

(From the Daily)

The Yoemen are Champions in District 21-A for the third time in a row by reason of their hard earned victory over Rosebud here Friday night by a score of 19 to 7.

The game, played in a surcharged sports atmosphere, brought the largest crowd ever seen at a football game in Cameron. The crowd was variously estimated at from 5000 to 6000 people. It was a new, strong emphasis on the need for stadium seating.

As the result of their win the Yoemen will meet San Saba at a date to be fixed, for the Bi-District Championship. From that game, if they win, the Yoemen will go on to a Regional again. If they have good luck they could go on to a state final and a championship since the Interscholastic League has sponsored such a race this year.

The game here Friday night was costly, with Bob Wilkinson going out with that same old trouble, his left arm out of socket, an injury he sustained in the Caldwell game. With John Matula on the sidelines for the season and Gordon Gibson, big center limping, the title was no easy victory. The Yoemen will go back to work now for the bigger job ahead.

The Yoemen won the title in 1946, 1947 and now are repeating for the third time.

Howard Beale, 195 pound fullback, led the way Friday night, scoring two of the three touchdowns scored by the Yoemen. He got away in the late minutes of the first quarter for a 28 yard sprint through the Rosebud center after taking a perfect fake handoff from Alton Fuchs, the quarerback, and outran the safety man to go over for the first score. Zotz lifted it through, the score was Cameron 7 and Rosebud 0.

Beale was the big star of the game, doing the heavy chores and got a total of 171 yards on 29 times at carrying the ball.

Cameron's second score came in the second quarter after the ball had been advanced down to the Panther 8 yard line. Again Fuchs made a pass gesture and handed off to Beale who plowed through for another touchdown. Bob Wilkinson failed at the extra try.

Shortly after Cameron had scored the Panthers behind the passing arm of Sapp placed the ball on the Cameron 5 yard line. A penalty set the Panthers back and four tries later the first down was made on the Cameron 2. It took 7 plays to make it as the Cameron line braced up well. Lierman split the line for the tally and Davis kicked the extra point to tie the score. Then followed the second Cameron touchdown and the score was Cameron 13 and Rosebud 7 at the half.

Oddly enough the Panther aerial circus, a devastating attack in midfield failed to tally but did set up their only score.

Cameron scored the final touchdown of the game on a long pass from Fuchs to Olin Armstrong deep in the end zone and Zots missed the try and the score was Cameron 19 and Rosebud 7.

The Panther line played bang up ball and for a considerable period of the game the Yoemen were bottled up. In the last half the Panthers, plainly tired out from the strain found their passes backfiring although they completed 12 out of 20 passes for a total of 160 yards. Their running game netted little except in the first quarter when the Yoemen had a bit of trouble figuring out a lot of tricky ball handling from the T and a modified wingback formation.

The Yoemen were tired also. Late in the fourth quarter the Yoemen were threatening again and managed the ball to the Panther 2 yard line but Beale failed to go over on fourth down and the ball went over. The Panthers were aided by a penalty but could not get the ball away from their goal posts and had to kick out.

A series of pass plays failed in the fading moments and the game ended with the ball in Rosebud's possession on their own 35 yard line.

End play by Tapman for the Panthers was a thing to see. Little John Moseley for the Yoemen had a bad night although he did manage some nice gains once he got loose. In the Cameron line Zotz and Eixman stood out and so did Grady Allen and Hollas. Gibson at center was in his usual fine form and Alton Fuchs called a masterful game. Wesley Braden who took over a half back position when John Matula was forced out from injuries was very good and a constant threat. Melroy Eixman essaying his first full role as a punter stood out.

The Yoemen played their first real competition and punting played no small part in the win.

The San Francisco bay is large enough to hold the combined fleet of the world.

New Possible Heir To British Throne Is Born In London

LONDON, Nov. 14—Princess Elizabeth gave birth tonight to a prince who may some day become King of England.

The second-in-line heir-presumptive to the throne was born at 9:14 p. m. (3:14 p. m., Waco time).

Buckingham Palace, where the child was born, announced that "her doyal highness hand her son are both doing well."

An hour and six minutes after the 22-year-old princess was delivered of her first-born, the baby's father, Prince Philip, Duke of Edinburg, appeared in the lighted palace courtyard.

To the huge crowd waiting outside for the joyous news, this was the signal that a child had been born.

A royal page informed a police constable, who released the news to the crowd: "It's a boy!"

The throng cheered lustily for Philip and sang "For He's a Jolly Good Fellow."

A great sound of "Good old Philip" swelled from thousands of throats for the handsome young prince who was married to Elizabeth last year.

Their young prince was born just six days short of the royal couple's first wedding anniversary Nov. 20.

As the crowd heard the news, high officials of the royal household, their faces beaming in smiles, watched the crowd's reaction from a palace doorway.

In its brief official announcement, Buckingham Palace said:

"Her Royal Highness, the Princess Elizabeth, Duches of Edinburg, was safely delivered of a prince at 9:14 p. m. today."

PONTIAC

A Product of General Motors

Above everything else . . a *good* car!

Pontiac has one manufacturing principle which takes precedence over all others:

Pontiac must *always* be a *good* car!

There is no other motor car quality which people value so much as *goodness.* That's why Pontiac engineers and production specialists spend so much time and energy and money to insure Pontiac quality. Pontiac cars must last *long*—and they must last *well*—and they must function through the years with a minimum of upkeep cost.

Owners have been quick to appreciate this. Some of the testimonials they send to the factory, and to Pontiac dealers, tell of performance feats that seem almost impossible of attainment.

Pontiac has many other outstanding virtues, of course. It is a wonderful performer. It is delightfully comfortable and easy to handle. It is a great beauty, and unusually distinctive in appearance.

But its greatest virtue is *goodness.* This year, or *any* year, you just can't beat it for faithful performance.

*General Motors Hydra-Matic Drive and White Sidewall Tires and Bumper Guards optional at additional cost.

WE GET ALMOST HALF INCH OF RAIN HERE

The weather will be colder this week but some uncertainty about the arrival of the change.

Temperatures have not varied here for the past three days. The low has been 50 and the high has been 60, according to L. W. Smith, local government weather observer.

Cameron has had almost one half inch of rain in the past 5 days. Here is the record: November 11 a total of .02 and on November 12 the fall was .13. This was followed by .12 on Saturday and on Sunday we had .19. Up to Monday morning another .03 had fallen.

Weather forecasts for Tuesday and Wednesday admit the possibility of more rain and somewhat colder. During the next 24 to 48 hours there would be little change. Cloudy skies would be the picture for the next day or so.

Leon L. Brady of Buckholts made a business trip to Cameron one day this week.

Leaders Are Named In Civic Music Association Drive

FIRST FREEZE OF YEAR HITS CITY

(From the Daily)

Cameron had a low of 30 degrees early Wednesday for the first freeze of the season, it was reported by L. W. Smith, local government weather observer.

The low temperature may have set something like a record. There was a quick rise after sun up and at 11:30 a. m. Wednesday the temperature was 65 degrees.

Skies were fair all over Texas and that was the picture for the next few days with slowly rising temperatures. The first freeze of the season brought snow flurries and sleet to Texas and some rain.

The coldest spots in Texas were Gaudalupe Pass and Salt Flats with 22 degrees and Amarillo had 23.

It was 10 degrees colder in Cameron than in Temple and lower here also than in Fort Worth and Dallas. By comparison sunny San Antonio had freezing weather.

A heavy frost blanketed central Texas and the Cameron area. It would be fair and continued cold here through Thursday and Friday with the high in the upper 60's and the low around 38 to 40 degrees at night.

How's our railroad doing, young man?

"Is it making any money?"

"What are they paying for fuel these days?"

"Are you hauling much freight?"

"Do you like your job?"

The little old lady is not a busybody —she is merely looking after one of her investments.

She has some money in the Santa Fe. Maybe it's ten, maybe it's twenty, maybe it's fifty shares of Santa Fe stock.

She is entitled to attend a stockholders' meeting. She can get on her feet and ask our board of directors questions just like the above. She can compliment those gentlemen for their management, or she can bang her umbrella on the table and tell them off.

Alone, her few shares of stock can't do a lot. Alone, she couldn't elect a president of the United States. But stockholders just like her — housewives, teachers, merchants, salesmen, laborers—can tell us how to run the Santa Fe, and they do. (Actually 29,178 Santa Fe stockholders are women, most of them holding only a small number of shares each.)

And that's the beauty of America —the voice of the people is the voice that runs things, whether it's operating a transcontinental railroad or putting a man in the White House.

Isn't it a wonderful country where so many can own so much? That's "Free Enterprise."

Santa Fe stockholders, just as those of any railroad, know that American railroads must be permitted to earn at least 6% (many other industries earn more) on their investment in order to maintain sound and progressive operations and to continue to provide shippers and passengers with the finest in rail transportation.

LOCAL BATTERY TO GET NEW ENLISTMENT QUOTA

Battery C, 239th Field Artillery Battalion, local unit of the National Guard, has been changed from a 105 mm. Howitzer to a 155 mm. Howitzer (Tractor-drawn) unit, Captain Rudolph Michalka has announced.

He said that a directive recently received from Washington, D. C. authorized the change in the battery, and also a corresponding increase in its Table of Organization and Equipment.

The directive increased the former authorized full strength of the battery from 4 officers and 75 enlisted men to 5 officers and 90 enlisted men, Capt. Michalka stated. There are similar changes in the number of ratings available.

Battery C's 105 mm. Howitzer will be replaced soon by a 155 mm. Howitzer of a tractor drawn type capable of a top speed of 35 miles per hour.

Many of the unit's trucks also will be replaced by larger ones capable of handling heavier equipment.

The increase in the battery's personnel, when recruited to its full strength, Capt. Michalka pointed out, will result in a larger payroll for Cameron and vicinity.

17 Milam County Men Go to Austin for Physical Examination

The newest quota of prospective draftees were 17 men who left Cameron early Wednesday for Austin for physical examinations, it was disclosed at the draft board here.

After physical examination the men are classified and if they are to be inducted they are called much in the same manner as during the war days.

The number of men to be sent for examination from this county is larger than was anticipated due to the fact that army calls are heavier.

MRS. J. C. MAYFIELD DIED HERE LATE FRIDAY

(From the Daily)

Mrs. J. C. Mayfield, 68, died at her home in East Cameron, at 7:30 p. m. Friday, November 12 following a heart attack.

Mrs. Mayfield was a native of Texas, born August 9, 1880 at Lexington in Lee county. She had been a resident of Cameron for more than 25 years.

Funeral services were to be held at 2 p. m. Sunday, November 14 by Rev. L. L. Morriss, Pastor, at First Baptist Church, with interment in Oak Hill Cemetery. The body was to remain at the Marek-Burns Funeral Home until the Funeral hour on Sunday.

Mrs. Maysfield was a prominent leader among Baptist women here and a member of First Baptist Church. She was also a member of the local chapter of Eastern Star.

Surviving are her husband, J. C. Maysfield of Cameron, widely known citizen and business man, seven sons and one daughter as follows: Maj. Robert Mayfield, Chaplain in the United States Army and stationed in Salsburg, Austria, Ray Mayfield, San Antonio, L. S. Mayfield of Natchez, Mississippi, J. C. Mayfield of San Angelo, Vernon Mayfield of San Antonio and Ralph Mayfield, former Marine Corps airman, San Diego, California, and Mrs. T. N. Wood of San Saba.

Two brothers and one sister survive as follows: John Minshew of Norton, Texas and Vernon Minshew of Kaufman and Mrs. Ida Barrett of Norton. Surviving also are 10 grand children.

Baptist Sponsoring Orphans Home Drive

A special drive is being launched this week among Milam County Baptists for Buckners Orphan Home.

The annual Thanksgiving offering started November 15 and will continue through the 20th. New and old clothing, canned goods, groceries and cash will be accepted. Sweets, such as preserves and jellies are needed at the home. Clothing for all ages of boys and girls are needed, and linens and gifts for larger children are in demand.

The local Baptist church is cooperating in the drive and asks that your contributions be brought to the Educational building at the church by November 20, on which day they will be packed and shipped to the home.

The Battetown Baptist Church is also sponsoring the drive at their church.

Future Farmers Here Attend Convention In Kansas City

Delegates from Yoe High Chapter Future Farmers of America who attended the National FFA Convention in Kansas City, Mo., November 14 to 18 were Eugene Polzer, president, Wayne Barnes, parliamentarian, and Monroe Fuchs, Junior Chapter secretary.

These delegates were selected on the basis of their work in Vocational Agriculture and their leadership in the local chapter. The group left Saturday, November 13, with their advisor, L. R. Thompson.

The trip is financed by the FFA Junior Chapter and contributions from F. G. Blake, Bert Nicholson, Coleman Duncan, Sam White, Frank Mitchell and Southern Agriculturist Magazine.

One Entry From Milam In National Farm and Home Egg Laying

Mrs. Fred Starnes who lives on Route 1 out of Cameron, has entered her poultry in the National Farm and Home Egg Laying contest.

Mrs. Isabelle Moody, Home Demonstration Agent for Milam County says the contest will end July 31, 1949. Cash prizes are offered. There are 294 entrants and some 122 thousand hens in the contest.

WILL BE COOLER

Most weather men were mystified by the weather antics during the past few days. Now it apepars we are going to have cooler weather. No rain. Progressively lower temperatures were due with near freezing in north Texas.

Mr. and Mrs. T. J. White and three sons, Jeffrey, Phillip and Mark of Houston spent the past week end with relatives in Cameron and Burlington. Mr. and Mrs. White attended the game at College Station, A&M-Rice on Saturday.

Mr. and Mrs. C. A. Boecker of Valesco visited in the home of Mr. and Mrs. Henry Dreyer over the week end.

LOUIS E. CABRON DIED IN DALLAS WEDNESDAY

(From the Daily)

Louis E. Cabron, 38, of Burlington, died in the Veterans Hospital in Dallas Wednesday, November 9. He had been ill and a patient in the hospital there for the past 5 months.

Mr. Cabron was a native of Milam county, born at Buckholts on February 18, 1910. While his name was Louis E. he was better known to a host of friends as Tubby and was for years owner and operator of Tubby's Cafe and Radio Shop in Burlington.

Funeral services were held at 9 a. m. Friday, November 12 at St. Michael's Catholic Church in Burlington by Father M. O'Reagan with interment in Catholic cemetery and the Green Funeral Home in Rosebud directing arrangements.

Surviving are his parents, Mr. and Mrs. J. S. Cabron of Burlington, three sisters and three brothers as follows: Mrs. Tresa Ermis and Mrs. Annie Zarosky of Robstown and Mrs. Rosa Fisher of Clarkson, Johnnie Cabron of Robstown, Julius Cabron of Burlington and Frank Cabron of Rosebud.

CARD OF THANKS

We wish sincerely to say that we are most grateful to our neighbors and friends for their kindness to us during our bereavement in the loss of our dear son and brother, Louis E. Cabron. We want especially to thank those of our women neighbors who brought food to our home and otherwise arranged for the comforts of our household. We thank those who gave flowers to express their sympathy and all who in any way assisted us.

CIVIC MUSIC WORKERS LAY PLANS AT DINNER

Civic Music Association membership campaign is under way here and prospects are very bright for organizing the association.

Approximately 80 interested people took part in the kick off dinner at Milam Coffee Shop Tuesday night.

The campaign for members will close at 6 p. m. Saturday and all workers are asked to report to the headquarters in the Cameron Hotel at that time.

On the program last evening were Max McClaren who was toastmaster and introduced the speakers.

Emory B. Camp spoke on the advantages that a series of concerts would bring to the community and said that anything as worthwhile as the Civic Music Association will require a great deal of effort on the part of the people who make it possible to bring good concerts to this area.

Miss Ada Margaret Smith spoke in behalf of the students in the schools and the benefits in entertainment to be had from these concerts along with educational and cultural advantages.

Dr. Gus Evans, Jr., Optometrist, who formerly lived in Harlingen where civic music has operated successfully for many years, said that the series was so well received there that a waiting list had to be established and that experience he said would not happen to him in Cameron.

Mr. McGurk of Chicago who is here representing the civic music program and directing the campaign here, said a challenge is being presented to the citizens of Cameron and believes that the city is big enough and interested to the extent that such a program can succeed here. He told about some of his experiences in Texas cities and gave helpful instructions to those who are soliciting members.

The program was concluded with the announcement of division chairmen and captains and introduction of those who have had an active share to date in the campaign.

Mrs. Leland Denson was in charge of table decorations for the dinner and Mrs. C. G. Swift is headquarters chairman. Besides Cameron people in attendance the towns of Rosebud, Buckholts and Calvert were well represented.

Get .14 Inches Rain Here Thursday Night

Cameron was on the receiving end of some .14 inches of rain Thursday night and prospects were good more might fall during the day Friday and Friday night.

Rain here depended pretty much on weather movements north. A new cold wave was in the Panhandle but its disposition was not well defined Freezing temperatures were noted in some sections but not as cold as was recorded there Monday.

Rain was predicted for the northern parts and also here in the Cameron area. Gray overcast skies brought the first real hope of the year.

Baptist Announce Banquet To-Night

The annual banquet for Sunday school officers and teachers will be held at First Baptist Church this evening at 7:30 in the dining room.

The banquet is given in appreciation of the work done by the officers and teachers, said Rev. L. L. Morriss.

Grady Cooper is Superintendent and J. M. Howard is Associate Superintendent.

Mr. and Mrs. Roy Baskin are expecting a reunion of their three sons for Thanksgiving; Dr. and Mrs. Grady Baskin and baby of Galveston; Dr. and Mrs. Roy Baskin of Mayo Bros. and Dr. and Mrs. John Lane Baskin of Cameron.

Lonergan's office would set the closing date for the strike ballot. "We expect, however, that the locals will be prompt in mailing ballots to St. Louis headquarters," he added.

Homer McLane and John Hairston made a trip to East Texas Thursday of the past week.

Jack Stidham Hurt In Car Accident

Jack Stidham was slightly injured around 10 p. m. Saturday on highway 77 when his car skidded on the wet pavement and went out of control.

Patrolman Jack Gaines said that Stidham's car struck a telephone pole. The accident occured near the Vance Brock home east of the city.

Mr. Stidham was returning to his home in Cameron when the accident occured. He was the only occupant of the car.

Twenty-one was chosen as the age of majority because it was believed that the infancy period lasted seven years, the childhood-to-puberty period seven years and adolescence to manhood seven years.

ANY MAKE RADIO repaired. Call 104. PARMA RADIO SERVICE.

Mrs. Giles L. Avriett and Jack Lewis of Austin spent the week end in Cameron and attended the Cameron and Rosebud game in Cameron Friday night.

Miss Gertrude Boedeker And Rudolph Michalka Married November 10

The marriage of Miss Gertrude Beodeker, daughter of Mr. and Mrs. Emil Boedeker to Rudolph Michalka, son of Mr. and Mrs. Frank Michalka, was solemnized Wednesday, November 10 at 8:30 a. m. at St. Monica's Catholic church.

Father Ernest Michalka, brother of the groom, of La Port read the double ring vows and Father Paul Michalka also a brother of the groom of Sacred Heart Church in Houston read the Mass. Father Ernest is a teacher at St. Mary's Seminary in La Port.

Orchid and yellow chrysanthemums with a background of ferns decorated the altar. Music was by the choir of St. Monica's with Miss Christine Michalka of Houston at the organ.

The bride given in marriage by her father wore a gown of white slipper satin fashioned with a marquisette yoke, long pointed sleeves and a long sweeping flared skirt which fell into a train. Her finger tip veil of illusion was caught at the crown with a halo or orange blossoms. She carried a white prayer book which had belonged to the groom's maternal grandmother. A bouquet of white carnations showered with satin streamers rested on the prayer book.

The maid of honor, Miss Catherine Michalka, sister of the groom was dressed in blue taffeta with blue net over the fully gathered skirt. The bodice was made with shoulder yoke outlined in a net ruffle and she wore a double ruffle of the net in her hair. She carried a nosegay of pink carnations.

Edmond Boedeker, brother of the bride, was best man. Ushers at the church were Roland Boedeker, brother of the bride and Charles Kuntz, cousin of the groom.

The bride's mother was dressed in a blue gaberdine frock with black accessories and wore a carnation corsage. The groom's mother wore a grey gaberdine frock with black accessories and a pink carnation corsage.

The bride is a graduate of Yoe High School and attended Our Lady of the Lake college in San Antonio. She received her degree at San Marcos State Teachers college in San Marcos. She taught at Yoe High school and for the past two years has taught at Victoria, Texas.

The groom is also a graduate of Yoe High School and a graduate of A&M College. He is a veteran of world war II with the Ordinance Department and served in European Theatre of war. He was discharged with the rank of Captain, and was instrumental in organizing the local unit National Guard and serves as its captain. He is also grand knight of the Knight's of Columbus. Mr. Michalka is now with the Cameron Implement Company.

A reception was held at the home of the bride's parents for relatives and close friends.

In the dining room the large table was covered with a beautiful crocheted tablecloth with the three tiered wedding cake as centerpiece. The cake was beautifully decorated and on top was two bells with a white ribbon between. After the bride and groom cut the cake Miss Alma Boedeker, sister of the bride served the cake and Mrs. Martha Moraw served the coffee. Other refreshments consisted of sandwiches, pickles, potato chips and cookies.

Miss Christine Michalka registered the guests.

Out of town guests were: Rev. Ernest Michalka, Rev. Karl Kermit, Arthur Michalka of St. Mary's Seminary, La Port, Texas, Rev. Paul Michalka, Sister M. Vernonica, Miss Christine Michalka, St. Joseph's school of nursing, Mrs. Edith Matthews, Miss Anna B. Barrett, Mr. and Mrs. Hugo Boedeker and family, Alfred Boedeker, Houston, Miss Alma Boedeker of Chicago, Mrs. Joe Taylor of Fort Worth, Mr. and Mrs. August Moraw and family of San Angelo, Mr. and Mrs. Roland Boedeker of Hearne, Mrs. T. McLaughlin and daughters, Betty and Frances of Taylor, Miss Ann Michalka and Miss Agatha Moraw of Temple.

After an extended honeymoon the couple will make their home in Cameron. The bride traveled in a rose wool suit with white carnation corsage.

Miss Joy Shaw and Willard Kornegay Are Married October 23

Miss Joy Shaw becames the bride of Willard Kornegay in a double ring ceremony at the Methodist church in Gause October 23, at 7:30 p. m. Rev. Wiley of Hearne read the wedding vows before an altar arrangement of running ivy and candles. Flowers in the church were arrangements of Gladioli.

The bride given in marriage by her father was dressed in a lovely brown suit with matching hat and shoes. Her corsage was white Carnations. Miss Patsy Jordon was bridesmaid and wore a brown crepe frock with matching accessories and a white Carnation corsage. Best man was Leeman Bollinger.

Mrs. James Harlan provided the wedding music and Weldon Bollinger was usher.

Mrs. Shaw, the brides mother wore a black suit with black accessories and a corsage of tiny blue corn flowers. The groom's mother was dressed in a gray crepe frock with black accessories and a pink carnation corsage.

Mrs. Kornegay is the daughter of Mr. and Mrs. James Shaw of Gause and graduated from Hearne High school.

The groom is the son of Mr. and Mrs. Alex Kornegay, Sr. and is a graduate of Milano High School.

The couple will live at Big Lake, Texas where Mr. Kornegay is employed.

Marilyn Hughes Is Birthday Honoree

Six year old Marilyn Hughes was honored on her birthday, November 6 with a party at the home of her parents, Mr. and Mrs. Stanley Hughes.

TALK OF SPECIAL TRAIN IS HEARD IN HILL TOWN

San Saba football fans plan to hit Cameron on Friday, November 26 with whirlwind enthusiasm for their team to meet the Yoemen for the Bi-District title.

There was talk of a special train in that hill town Tuesday morning. The Santa Fe runs through San Saba as well as Cameron.

In an exchange of mutual information on the teams Tuesday morning Publisher Sloan of San Saba Star briefed the Daily Herald on the situation.

The San Saba Armadillos won their district handily this year. Team play in District 22-A was not up to average as was the case in District 21-A. San Saba happened to be the strong outfit as were the Yoemen here.

District 22-A is larger in area than our own district. In all there are 8 teams in District 22-A. They are: San Saba, Goldthwaite, Lampasas, Fredericksburg, Mason, Marble Falls, Llano and Burnett.

Fredericksburg has dominated the district for years but the Armadillos put an end to that this year. Coach Charles Chrane of the San Saba Armadillos is in his second year there.

The Armadillos are a light team, averaging only about 145 pounds. The Yoemen will have a big weight advantage, McDonald the 160 pound fullback and Dick Felts, half back, are the outstanding stars on the team in the backfield.

The Yoemen will face a passing team here on Friday night, November 26 when San Saba invades the local stadium.

In the 1948 flag race in District 22-A Lampasas gave the Armadillos their hardest game. The score was 16 to 12. The Armadillos lost only one game and that was a scrimmage with Brady in the early part of the season. The Yoemen are undefeated and untied.

Mr. Sloan said he expected a large turn out of fans for the game here. He said that enthusiasm is running high and they plan to support the team solidly in their invasion of Cameron.

MRS. VIRGINIA CLORE DIED HERE THURSDAY

Mrs. Virginia Lee Clore, 82, a native of Texas and for many years a resident of Cameron died at her home in this city at 11:20 p. m. Thursday, November 11.

Mrs. Clore was born in Muldoon, Texas on September 10, 1866 and had been a resident of Cameron for many years. She was the widow of the late George W. Clore, pioneer.

Funeral services were to be held from the Marek-Burns Funeral Home in Cameron Saturday, November 13 at 3 p. m. by Rev. L. L. Morriss, pastor, First Baptist Church with interment in Oak Hill Cemetery.

Surviving are one son, Lee R. Clore of Camp Hood, Texas, former business man here and three daughters as follows: Mrs. G. T. Humphries of Eagle Pass, Mrs. Clarence Copus, Sinton and Mrs. Moody Hayes of Cameron.

Two sisters also survive as follows: Mrs. John Long and Mrs. Maggoe Whitenhurst of Houston. Fifteen grand children and 18 great grand children also survive.

Mr. and Mrs. Nick Brennan of Lexington and his mother, Mrs. Nick Brennan spent week end in Cameron and Milano. They attended the A&M and Rice game at College Station Saturday afternoon.

Bernhardt Koehlers In San Antonio Celebrate Wedding Anniversary

Mr. and Mrs. Bernhardt Paul Koehler celebrated their 25th wedding anniversary on November 6 in the home, 302 Callaghan Ave in San Antonio. There was only a small gathering of relatives and close friends in to commemorate the occasion. Mr. and Mrs. Koehler had sadness in their hearts too, having received word of Mr. Koehler's mother passing away on October 28. The warm feeling expressed by their friends in this time of joy and sorrow was of great comfort.

As the guests waited in line to be served Mr. Koehler gave grace and then the dinner began, which was served buffet style and consisted of fried chicken, creamed potatoes, peas, asparagus, ambrosia salad, poppy seed Kolaches and wedding cake and coffee. Assisting in the serving were their two daughters Angelina and Barbara.

The relatives were: Mr. and Mrs. Otto Horelica, M-Sgt. and Mrs. Adolph Horelica of Kelly Field, Mr. and Mrs. Alex Zaleski and Mr. and Mrs. John Sturm and children. Friends were: Mr. and Mrs. J. C. Kirkland and daughter, Julia, Mr. and Mrs. Jack Wooten, Mrs. E. G. Startz, Miss Hettie Schwegmann, Miss Frances Startz, Miss Cecelia George, Mrs. Annie Schiller, Mr. and Mrs. Robert Bigger and daughter, Joyce, Mr. Zaleski, Dr. Auttz, Dr. Dawson and Mr. and Mrs. Charlie Hetka and daughter of Ganada, Texas.

BRANDS EFFORTS TO DESTROY US ABROAD

PARIS, Nov. 12 — Secretary of State George C. Marshall declared Friday Russia is waging a propaganda peace offensive with the real aim of wrecking the world position of the United States.

Russia's action in spreading a report of a suggested Truman-Stalin meeting is part of this propaganda drive, Marshall said.

He gave his views at an extraordinary news conference.

At the same time his deputy delegate, Frederick H. Osborn, accused Soviet leaders of carrfying on a second type of propaganda effort at home—that of using "shrill government-directed porpaganda to prepare" the Russian people for war. Osborn blasted at Russia during debate on disarmament in political committee of the United Nations Assembly.

Marshall said Soviet propaganda in the U. N. has not been successful The great majority of nations in the world organization, he continued, have lined up solidly in their opinions on the world situation.

Propaganda peace offensives are very dangerous, he continued, because everyone sincerely wants peace but not mere propaganda for peace.

Marshall withheld permission to use any of his remarks—except when attributed to a "leading United Nations delegate"—until he had checked his long transcript. About six hours after the conference a condensed version of his statements was given newsmen by an American delegation spokesman. Marshall still did not permit direct quotations.

In brief Marshall said:

1. The Russians grabbed up suggestions that President Truman and Prime Minister Joseph Stalin meet and used those suggestions for propaganda.

2. Because Russian propaganda in the U. N. Assembly has not been successful. Stalin issued his interview last month accusing United States leaders of being aggressors.

3. The eastern bloc and the Communists increase their efforts to obstruct and destroy the European recovery plan each time it makes a forward step.

4. The European recovery program has made greater progress than is generally realized.

5. The United States is determined that the Berlin air lift will go ahead as long as is necessary.

6. The United States is looking to the six neutral countries in the U. N. Security Council to see what they might propose in the Berlin crisis.

7. The Greek problem is just one part of the big, world-wide problem affecting Russian-United States relations.

Future Home Makers At Milano Stage Big National Program

By BETTY MORGAN

The Milano Future Homemakers of America made a big success of National Future Homemaker Week—the first week in November. The Chapter planned special activities for each day of the week to interpret their Homemaking program to the school and the community. Included in these activities were programs in all the elementary school grades, an assembly program for the high school and the seventh and eighth grades, a club program on customs in other lands, and attendance at the District II Area meeting in Belton.

Dorothy Posival, Doris Jean Parker, Bennie Pinkerton and Jeann Beavers made health trains for the first and second grades and gave these trains to them to use in their health studies. Each train contained seven coaches representing the seven basic foods and each coach was loaded with pictures of the foods needed to fulfill one basic requirement.

Iona Owens, Jeanette Hairgrove, Maribeth Fisher, and Kaye Gilliland showed the third and fourth grades how to improve their posture and directed them in some games and exercises which would help them improve.

Lillie Jo Hux, Faye Gilliland, Zeta Woods, and Louise Wall visited the fifth and sixth grades and gave them a program to help them improve their table manners.

Anna Jean Baskett, Delores Blackman, Nellie Jean Kirk, and Jo Ella Magee were interested in helping the seventh and eighth grade pupils have better grooming and manners in public places.

Earlene Pratt, Bobbie Ann Haddox, Johnnie Perdue, Elizabeth Williams, Mary Ellen Parker, and Billie Joan Rutherford observed lunchroom habits of the student body and made a list of suggestions for improvement. The FHA Chapter plans to use these suggestions for improvements for planning further cooperation with the school lunchroom program.

June Pruett, Barbara Hartley, Bennie Pinkerton, Betty Morgan, Dalpha Nell Hurt, Geneva Hurt, Evelyn Yakesch, and Wanda Williams with the support of the entire FHA Chapter presented as assembly program to the student body assembled in a beautiful ceremony the FHA Emblem and explaining its meaning.

At the regular FHA Chapter meeting Thursday, November 4, a program on customs in other lands made all of the FHA girls give thanks that America is their native land. Girls giving this program were Faye and Kaye Gilliland, Dorothy Posival, Doris Jean Parker, Zeta Woods, Louise Wall, Maribeth Fisher, Jeann Beavers, and Lona Owens.

Betty Morgan, Bennie Pinkerton, Jo Ella Magee and Dolores Blackmon attended the District meeting at Belton and demonstrated to the group the method of awarding an FHA Degree of Achievemen.

Each FHA member climaxed her week's activities by attending the church of her choice Sunday, November 7, and trying a little harder to be a better church member.

JAP WAR LEADERS ARE FINALLY FOUND GUILTY

TOKYO, Nov. 11—A chill swept over the courtroom today as the international war crimes tribunal fixed on Hideki Tojo and his 24 comrades the responsibility for an estimated one-million atrocity deaths.

The president, Sir William Webb, read this part of the decision in his clearest, most precise tones.

The tribunal listed cases involving deaths of 302,000 persons by brutality and neglect. It mentioned more than 150 other places where atrocities occured without giving the number of dead.

Unofficial estimates based on testimony during the trial placed the total atrocity deaths at one million as a direct result of Japan's aggressions from 1931 to 1945.

The case required months to try and under the American system an appeal was granted to Tojo and his co-criminals. The record in the case was so voluminous that it required 10 days to read.

Shortly after the war with Japan was ended Tojo, then under arrest attempted to commit suicide. Shortly afterward he was arraigned and took full responsibility for the war crimes, even admitting that he planned the attack at Pearl Harbor and absolved his Emperor from all blame for the war of aggression.

There is no compriable crime in all history to the atrocities visited by the Jap war lords on defenseless people in the far east.

Yoemen And San Saba In Bi-District Game

The Yoemen will play San Saba for the Bi-District championship at a date to be announced, possibly next Friday night.

San Saba has won their district title and the Yoemen won their district again Friday night against Rosebud by a score of 19 to 7.

In the Regional, should the Yoemen win their Bi-District, they would likely play La Vega or Gatesville, depending on the outcome there, news of which was not available Saturday morning.

Bi-District games are aranged between school authorities and the site of the game between Cameron and San Saba had not been determined.

From where I sit ... *by* Joe Marsh

It's *Your* Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—*against the forces of intolerance*—it's common sense, and common decency, to help 'em."

Because that's *everybody's* fight: To see that individual freedom is preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy—just as the minute one small country *loses* freedom, all its neighbors are in danger!

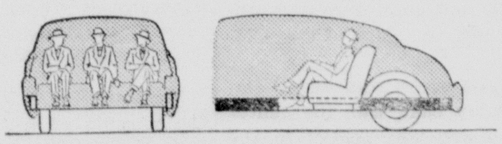
You're invited to drive the New Hudson—the car that's nimble and rugged beyond anything you've known before!

"The modern design for '49"



HUDSON FLOORS are recessed down within the frame (as shown above), seats are lowered, so you get more than ample head room in this car with the new lower center of gravity.

YOU RIDE DOWN within a base frame (as shown above), and rear seats are positioned ahead of the rear wheels so that full body width becomes available for wonderfully roomy seats. Box-section steel girders completely encircle and protect the passenger compartment.

• • •

TRY AUTOMATIC GEAR SHIFTING in forward speeds as provided by Hudson's Drive-Master transmission—by far the easiest of all ways to drive. You can accelerate as long and as fast as you like in pick-up gear, then lift your toe momentarily, and you're in high. The shift into high comes only when you are ready! Button control on the instrument panel provides instant change to conventional driving if ever desired. Drive-Master transmission is optional on all New Hudsons at small extra cost.

Come in, try Hudson with the all-new, high-compression Super-Six engine (the most powerful American six built today) or the masterful Super-Eight. Both provide wonderfully alert power for a new type of motor car with an exclusive "step-down" design.

Millions say the New Hudson is the reigning beauty in the automobile parade—but you can't really know this great car until you drive it—and you're invited to do just that—now!

Hudson, with the new, 121 h.p., high-compression Super-Six engine or the masterful Super-Eight, takes you away with new zip, and outstrips the field with staying power.

But amazingly alive engines aren't the whole story of this star performer for '49. Hudson has a new hug-the-road way of going in cross-winds and on every conceivable kind of highway.

This all happens because—as is widely known—the lower to the ground a car can be built, the more stability it will have. Hudson has the lowest center of gravity in any American stock car!

This remarkable car has floors recessed down within a base frame (Hudson is the only car you step *down* into), enabling Hudson to build the lowest car on the highway, only five feet from ground to top—while maintaining more than adequate head room!

You sense a delightful conformity to the road the minute you begin to ride, and this gives you a grand feeling of safe well-being! This feeling is further enhanced by the ease with which this car is operated, and by the quiet with which Hudson glides along.

Come in, let us show you why Hudson's great engines and fabulous "step-down" design principle** put this car so far ahead it is a *protected investment* in motor car value!

**The many important advantages in Hudson's new "step-down" design are explained in a booklet available at the nearest Hudson dealer's.

Clarkson H. D. Club

The Clarkson Home Demontration Club met at the Baptist Church Wednesday, November 3.

Due to the absence of the president and vice-president, Mrs. W. W. Cox was asked to preside, and called the meeting to order, with Mrs. John Matyastik protem for the secretary.

The reading of the minutes were adopted as read.

Mrs. Matyastik gave a Council report, and stressed the importance of reading more, to subscribe for the Messenger magazine, carrying out the meeting in an orderly manner, not to speak out of turn, always address the president first and have more singing in the club. She also reported that the club won fourth place at the T. H. D. A. State meeting held in Temple recently.

It was moved and carried that Achievement be held Nov. 26 at the Church. Those who will serve on the committee are Mrs. John Matyastik, Mrs. John Wimberly and Mrs. Douglas Crook. Mrs. Matyastik read the constitution and By-Laws which she had written and were accepted as read.

In the election that followed these are the officers: Mrs. Emil Skupin, president, Mrs. John Wimberly, vice-president, Mrs. W. W. Cox, secretary-treasurer, Mrs. John Matyastik, Council delegate and Mrs. Joe Lackey, reporter.

Members were happy to welcome two members into the club, Mrs. Chester and Frank Rogers.

It was suggested that the club have a Christmas party in the same manner as a year ago, the date and discussion to be made at Achievement, with all members as hostesses.

Mesdames Joe Hauk, Douglas Crook, John Matyastik, John Wimberly and Joe Lackey served chicken sandwiches, pickles, potato chips, devils food cake, coffee and hot chocolate during the social hour.

REDS SWEEPING SOUTH IN NEW CONQUEST MOVE

NANKING, Nov. 16—The American embassy today warned all Americans to leave China as the communist radio claimed the capture of Suchow, gateway to Nanking.

There are an estimated 7,000 American civilians in China. The figure does not include personnel of the embassy, Economic Cooperation administration, army and navy.

The U. S. consulates at Tientsin and Peiping have been urging American nationals—businessmen and missionaries, mostly—to leave north China before it is too late to arrange transportation. Communist troops are expected to occupy north China shortly.

The situation has deteriorated rapidly since the government's recent defeats in Manchuria. The warning from the American embassy was the first addressed to U. S. civilians throughout China.

The embassy and the U. S. consulate in Shanghai issued similar notices:

"In view of the deteriorating situation and the liklihood that means to exist from China may later be unavailable, all Americans in the Nanking (or Shanghai) consular district who are not prepared to remain under hazardous conditions in areas where they now reside should plan at once to move to places of safety."

The notices said emergency facilities will be available only for a short time.

The warning emphasized the dangers as hostilities reach across the Yangtze. There was no confirmation by government sources that Suchow had fallen. The last reports from pro-government channels declared the communists had reached 75 miles south of Suchow, which is only 200 miles northwest of Nanking.

There was no indication from President Chiang Kai-Shek that he was prepared to abondon his Nanking capital. Speculation has been wide-spread that the government would be moved to Canton or some other city in the south.

Humble Will Broadcast Thanksgiving Game

For the fourteenth consecutive year, Humble Oil & Refining Company will sponsor the broadcast of the traditional Texas Thanksgiving Football Classic—the Longhorn-Texas Aggie game.

Humble's broadcast this year will originate from Memorial Stadium in Austin. Kern Tips will be on hand, as usual, to furnish a play-by-play report of the game and will be assisted by Alec Cheeser, color man.

Broadcast time will be 1:50 p. m. and stations carrying the game will be KABC, San Antonio; KTRH, Houston; KRLD, Dallas; KGNC, Amarillo; KRGV, Weslaco; KVET, Austin; WTAW, College Station; KRBC, Abilene; KGKL, San Angelo; KBST, Big Spring; KCRS, Midland, KOSA, Odessa; KIUN, Pecos and KROD, El Paso.

Yoemen-Kitten Game Will Be Played Thursday Night

Football fans are reminded that the last game on the Yoemen schedule for 1948 is with the Waco Kittens and will be played here Thursday night.

Penn Wolf, ardent Yoemen fan, called the Daily Herald's attention to the date of the Waco-Cameron game. The regular schedules call for Friday night games. In the case of the game this week the date is Thursday instead of Friday.

This game completes the 1948 schedule and the Yoemen will play San Saba here Friday night, November 26 for the Bi-District title.

NEW METHODIST HOURS

Truman Vote More Than His Other 3 Major Opponents

WASHINGTON, Nov. 7—Late returns show President Truman with more votes than his other three major opponents combined in Tuesday's presidential election.

Saturday night on the basis of returns from 130,774 voting places out of 135,855, this was the standing:

Truman 23,667,727.
Dewey 21,542,581.
Thurmond 1,005,945.
Wallace 1,116,379.

The Dewey - Thurmond - Wallace vote adds up to 23,664,905, which is 2822 less than Mr. Truman's alone.

This was the first time that the Thurmond States Rights vote passed the 1,000,000 mark.

The mounting returns pointed to the second largest total vote in history. With 5081 precincts still missing, the total was 47,332,632. The record turnout was 49,815,312 in the Roosevelt-Wilkie race of 1940.

JUSTICE DEPARTMENT TO GET COMMITTEE REPORT

WASHINGTON, Nov. 16—A house investigating committee announced tonight that evidence of "exorbitant" profits reaped by some automobile dealers is being turned over to the Justice department and other law enforcement agencies.

Rep. Macy (R-NY), committee chairman, said the purpose is to determine "whether any violation of law has been uncovered."

There is no law against the "bonus" payments and other practices disclosed by the investigation, but committee members have shown interest in whether dealers and salesmen have reported such payments on their income tax returns.

Macy is chairman of a special house committee which has been investigating trade practices in the auto markets.

The New Yorker's statement followed two days of testimony by a series of witnesses who told of paying "tips" and "bonuses" of $350 to $500 for quick delivery of new automobiles.

Macy indicated that the committee will widen its investigation, which so far has been confined to the Washington area.

"It would be deplorable," Macy said in a statement, "if the greed and avarice of a few dealers and the lack of an effective program on the part of the manufacturers should catapult an entire basic industry of the country into thorough disrepute."

Such a situation, he said, might touch off a public clamor for controls over the multi-billion-dollar auto industry.

Rep. Larcade (D-La.), a committee member, said the investigation has already resulted in the recovery of "thousands and thousands of dollars in income taxes."

Once again, the attention being paid to the congressional probe by the big auto makers was evidenced today as N. K. Vanderzee, sales manager of the Hudson Motor Car Co., Detroit, appeared as a witness. A high official of the Oldsmobile Co. appeared yesterday.

Vanderzee told the committee:

"We have tried to do a job of policing the field, and investigate all complaints made against dealers by purchasers."

He said Hudson has the right to turn down dealers when their contracts come up for renewal annually, but he said there is some doubt whether the company can legally "regulate" the dealers.

Once a car is sold to an authorized dealer, he said, it becomes the dealer's property.

Cameron Junior Squad Defeats Killeen Here

Cameron Junior Squad cashed in on limited times at ball handling here Tuesday night and defeated the Killeen Junior team 33 to 12.

The little Kangaroos were quite an offensive outfit and held the ball most of the evening.

Ray Thompson was the star. He scored 2 touchdowns on long runs. Billy Joe Halpain scored on a 60 yard run and Billy Allen scored on a 30 yard run. Thompson hit Pete Tindall with a long pass and Bobby Biskup went over from the 1 foot line for the 5th touchdown.

The Yo Yoes have played 7 games this season, winning 6 and losing one.

Herbert Madeley Now Operating Radio Repair Business Here

Herbert Madeley, Radio Technician, has opened a repair and service shop in the Lack Auto Supply Store in Cameron.

Mr. Madely is quite well known in the Buckholts section and having been born and reared in Rogers has many friends there.

Mr. Madeley has had 24 years experience in this work. He moved to Cameron recently from Temple and hopes to make his home in this city. He was in the same business in Temple, having established a radio repair service there in 1942.

He began when radios were simple affairs but has kept abreast of radio engineering and development. Modern sets require expert service, he says.

He is the son of Dr. W. B. Madeley of Rogers who died in 1910.

Mrs. P. A. Wenck of Hearne is ill and in Newton Memorial Hospital.

Miss Myrtle Reed of Rogers was a Cameron visitor recently. Miss Reed is a teacher in the Rogers school.

PHONE STRIKE BALLOT MAILED TO WORKERS

DALLAS, Nov. 16—Strike ballots will be mailed late this week to the 91 locals in Texas affiliated with the Communication Workers of America, CWA state director Ray Hackney announced today.

The independent union is in a wage dispute with the Southwestern Bell Telephone Co. Yesterday CWA division vice president Frank P. Lonergan, in a statement, ordered that the strike ballot be mailed to the 52,000 members within the division's five states.

A strike would tie up manual telephone service in Texas, Oklahoma, Kansas, Arkansas and Missouri and a small part of Illinois.

Hackney said 22,000 ballots would be mailed to CWA members in Texas.

The union is seeking wage increases ranging from 10 to 15 cents hourly. The company's top offer was 4 cents hourly when negotiations were suspended September 16.

The Texas CWA leader said that

Miss Evlyn Sager is in Newton Memorial Hospital for treatment, and her many friends will be glad to know that she is rapidly improving. Miss Sager is a graduate of Yoe High school and also of Draughn's Business College in Houston. She is now employed in Houston with Swift & Company. Miss Sager is the daughter of Mrs. Minnie Sager.

That Something Extra

No matter how you look at it there is always something appealing about a newspaper that prints the news, says things, stands for something and thereby gives that something extra.

No newspaper is worth its salt that does not approximate in every issue the sum total of requirements in its field of essential service.

The Press is the last frontier of freedom? If so the Responsibility is ours to print and the atmosphere in which to serve is the friendly support of the people.

There is, after all, a vast difference in newspapers. Some are good, some are bad. The worst of all a timerous sheet that follows the path of least resistance.

The Herald
